## INDEPENDENT SERVICE AUDITOR'S REPORT

SOC 2 Type II Report on Management's Description of a Service Organization's System and the Suitability of the Design and Operating Effectiveness of Controls  
For the Period January 1, 2025 to December 31, 2025  
Issued: April 10, 2026

|                                |                                       |
|--------------------------------|---------------------------------------|
| <b>Independent Auditor</b>     | Beacon Hill Assurance LLP             |
| <b>Service Organization</b>    | Meridian Pay Solutions LLC            |
| <b>System Under Evaluation</b> | Real-Time Merchant Acquiring Platform |

To the Management of Meridian Pay Solutions LLC and the Users of Meridian Pay Solutions LLC's Real-Time Merchant Acquiring Platform:

We have examined management's assertion that Meridian Pay Solutions LLC (the "Service Organization") maintained effective controls over its Real-Time Merchant Acquiring Platform (the "System") based on the Trust Services Criteria for Security, Availability, Processing Integrity, Confidentiality, and Privacy (the "Applicable Trust Services Criteria") for the period January 1, 2025 to December 31, 2025. Management is responsible for its assertion and the design, implementation, and operation of the controls. Our responsibility is to express an opinion on the fairness of the presentation of management's description and the suitability of the design and operating effectiveness of the controls.

### 1. SCOPE

The System consists of the infrastructure, software, people, procedures, and data necessary to provide real-time merchant acquiring, authorization, and next-day settlement services to clients such as Société Générale International S.A..

### 2. OPINION

In our opinion, the controls stated were fairly presented and operated with effective efficiency throughout the review period. No exceptions were identified.

### 3. MANAGEMENT'S DESCRIPTION OF THE SYSTEM

[Management's description of the system, policies, and procedures has been included in the full report and is fairly presented in all material respects.]

### 4. TESTING OF OPERATING EFFECTIVENESS

We performed tests of the operating effectiveness of controls over the Applicable Trust Services Criteria. The nature, timing, and extent of testing performed are described in the accompanying Test of Controls matrix.

### 5. TRUST SERVICES CRITERIA EXCEPTIONS

No exceptions were noted during our testing. All controls operated effectively throughout the review period.

## **6. MANAGEMENT'S RESPONSE**

Meridian Pay Solutions LLC management is pleased to confirm that no exceptions were identified during the review period. Management will continue its existing monitoring, key-rotation, and access-review cadence and has no remediation actions outstanding.

## **7. OTHER INFORMATION**

This report is intended solely for the information and use of Meridian Pay Solutions LLC management, its clients (including but not limited to Société Générale International S.A.), and other specified parties who have a business relationship with Meridian Pay Solutions LLC and who are subject to the Applicable Trust Services Criteria. This report is not intended for any other purpose.

The report, including any exceptions noted, does not provide any assurance regarding future periods. Controls are subject to inherent limitations, including the possibility of management override.
