

DATA PROCESSING ADDENDUM (DPA)

to Master Services Agreement SG-MSA-2024-VERTEX-11
Effective Date: August 1, 2024

This Data Processing Addendum (the “DPA”) is entered into by and between **Société Générale International S.A.** (the “Controller”), and **Vertex Transact Corp** (the “Processor”).

This DPA forms an integral part of the Master Services Agreement and is subject to all terms and conditions thereof. Where Regulation (EU) 2016/679 (the “GDPR”) and other applicable data protection laws apply, particularly Article 28 thereof, the Parties intend to ensure compliance.

1. DEFINITIONS

1.1 “Personal Data” means any information relating to an identified or identifiable natural person. 1.2 “Processing” means any operation performed on Personal Data. 1.3 “Data Subject” means the natural person to whom Personal Data relates. 1.4 “Subprocessor” means any third party engaged by the Processor that processes Personal Data on behalf of the Controller.

2. PROCESSING SPECIFICATIONS

The Processor shall process Personal Data solely on behalf of and in accordance with the documented instructions of the Controller.

2.1 Categories of Data Subjects: Retail Banking Customers and Institutional Traders of the Controller

2.2 Nature and Purpose of Processing: Merchant payment gateway processing, card tokenization, and fraud-screening analytics necessary for the performance of the Services under the MSA

2.3 Types of Personal Data: Full names, billing addresses, tokenized card references, partial PANs retained for chargeback evidence, transaction records, device and fraud-signal metadata

2.4 Duration of Processing: For the duration of the MSA and for a period not exceeding ninety (90) days after termination or expiry thereof, unless otherwise instructed by the Controller

3. SUBPROCESSORS

3.1 The Processor shall not engage any Subprocessor without the prior written consent of the Controller. 3.2 The Controller hereby authorizes the Processor to engage the following Subprocessors as of the Effective Date:

- Amazon Web Services (AWS), Region: us-east-1 (Virginia), for secure cloud infrastructure and data hosting.
- DataSphere Analytics Pvt. Ltd., Region: Mumbai, India, for fraud-screening analytics processing.

3.3 The Processor represents that it has entered into written agreements with each Subprocessor. For DataSphere Analytics Pvt. Ltd., no Standard Contractual Clauses or EU adequacy mechanism is referenced in the Subprocessor agreement on file as of the Effective Date. 3.4 The Processor shall notify the Controller in writing at least thirty (30) days in advance of any intended addition or replacement of a Subprocessor.

4. TECHNICAL AND ORGANIZATIONAL MEASURES (TOMs)

The Processor shall implement and maintain appropriate technical and organizational measures to ensure the security of Personal Data, including:

- Encryption of Personal Data at rest using AES-256.
- Encryption of Personal Data in transit using TLS 1.2 or higher.
- Role-based access controls; multi-factor authentication enforced for production CDE access only (not enforced fleet-wide).
- Vulnerability scanning performed monthly; third-party penetration testing performed annually.
- Employee training on data protection, completed at hire with no documented annual refresh.
- Incident response procedures documented; last tabletop exercise conducted in 2024.

5. DATA BREACH NOTIFICATION

5.1 In the event of a confirmed or reasonably suspected Personal Data Breach affecting Controller Personal Data, the Processor shall notify the Controller via security-alerts@socgen.com within seventy-two (72) hours of initial discovery.

5.2 Such notification shall include: (i) a description of the nature of the breach, (ii) the categories and approximate number of Data Subjects and records concerned, (iii) the likely consequences, and (iv) the measures taken or proposed to address the breach.

5.3 The Processor shall cooperate fully with the Controller in investigating and remediating any such breach and in fulfilling the Controller's obligations under Articles 33 and 34 of the GDPR.

6. ASSISTANCE TO THE CONTROLLER

The Processor shall assist the Controller in ensuring compliance with GDPR obligations, including data subject rights, data protection impact assessments, and prior consultations with supervisory authorities.

7. RETURN OR DELETION OF PERSONAL DATA

Upon termination or expiry of the MSA, or at any time upon the Controller's request, the Processor shall, at the Controller's choice, return or securely delete all Personal Data and certify in writing that it has done so, except to the extent retention is required by applicable law.

8. AUDITS

The Controller or its designated auditor shall have the right to audit the Processor's compliance with this DPA upon reasonable notice, not more than once per year, unless there is reasonable suspicion of non-compliance.

9. GOVERNING LAW

This DPA shall be governed by the laws of France and the applicable provisions of EU data protection law.

IN WITNESS WHEREOF, the Parties have executed this DPA as of the Effective Date.
